Your Dollars—Do They Go Or Grow?

The dollars in your pocket go—the dollars in a savings account grow.

There are a thousand or more ways to spend money—there is one sure way to save it.

The world is full of good things but you can't have them all—nor would you be happy if you did.

If you really want to save money you can do it; then if you deposit it in The Montpelier Savings Bank and Trust Company compound interest will help it to grow. Why not make regular deposits and watch your money grow?

**Advertising is the Sunlight of Business**

To all that is healthy and vital in business, it means increased strength and growth; but advertising is a fierce heat which withers and consumes that which is unsound.

A business which is not a good business should not be advertised. A business which would not benefit from widespread appreciation of its deals had better acquire a new set of ideals.
